

# SEND a Bangladeshi child TO SCHOOL

## About BanglaKids

BanglaKids is a long-term development child sponsorship program of ADRA Czech Republic providing education to underprivileged children and youth in Bangladesh.

Your support will provide education to a child from a resource-poor family in a country where 40 % of people live below the international poverty line and the same percentage cannot read and write.

## HOW CAN YOU HELP?

With your support ...

Education  
fights  
poverty
